|                              |            |                                 |

#### Other hazards which do not result in classification:

No particular fire or explosion hazard. By mechanical effect: No particular hazards. By hydroscopic effect: No particular hazards.

#### US NFPA 704 (National Fire Protection Association) Hazard Rating System:

Health hazard: Rating 0; Normal Material Flammability: Rating 0, Will Not Burn Reactivity: Rating 0, Stable Other Hazard Information: None

#### Results of PBT and vPvB assessment:

-PBT: Not applicable -vPvB: Not applicable

### SECTION 3. COMPOSITION / INFORMATION ON INGREDIENTS

Extract

**Common Chemical Name:** 

Butylene Glycol & Artemisia Abrotanum Extract & Water

Generic name:

**Chemical Family:** 

Description: Mixture: consisting of the following components. This section describes all components of the mixture

| Substance                   | CAS Numbers                     | EC Numbers   | Percentage |
|-----------------------------|---------------------------------|--------------|------------|
| Butylene Glycol             | 107-88-0                        | 203-529-7    | 75.00%     |
| Artemisia Abrotanum Extract | 89957-58-4                      | 289-576-4    | 20.00%     |
| Water                       | 7732-18-5                       | 231-791-2    | 3.00%      |
| Lactobacillus Ferment       | 1686112-36-6 (or)<br>68333-16-4 | N/A (or) N/A | 2.00%      |
| Formula:                    | Not applicable                  |              |            |

### SECTION 4. FIRST-AID MEASURES

| General:      | In all cases of doubt, or when symptoms persist, seek medical attention.                  |  |
|---------------|---|--|
| Inhalation:   | Move to fresh air from exposure area. Get medical attention for any breathing difficulty. |  |
| Skin contact: | Rinse with soap and water. Get medical advice if irritation develops.                     |  |

| FSS Southernwood Plump BG PF Page: 3/9 |  |  |  |
|--|--|--|--|
| Date: 02 / 09 / 2018                   | Version: 9   | Cancels and replaces version: 8  |  |
| Eye contact:                           |  | Immediately rinse with plenty of water for at least 15 minutes, while keeping the eyes wide open. Consult with a physician.                                      |  |
| Ingestion:                             | Consult with a physician.  |  |  |
| Protection of first-aiders:            | No special protection required.  |  |  |
| SECTION 5. FIRE-FIGHTIN                | G MEASURES   |  |  |
| Fire and explosion hazards:            | Not considered to be a fire and  | explosion hazard   |  |
| Extinguishing media:                   |  |  |  |
| Suitable:                              | Water, dry chemicals, foam an  | d carbon dioxide   |  |
| Not suitable:                          | None known   | None known   |  |
| Fire fighting:                         | Avoid inhalation of material or  | Move container from fire area if it can be done without risk.<br>Avoid inhalation of material or combustion by-products.<br>Stay upwind and keep out of low area |  |
| Protection for fire-fighters:          | Boots, gloves, goggles.  |  |  |
| SECTION 6. ACCIDENTAL RELEASE MEASURES |  |  |  |
| Personal precautions:                  | Avoid contact with eyes.<br>Personal Protective Equipment<br>-Protective goggles | Personal Protective Equipment:   |  |
| Environmental precautions:             |  | Prevent entry into sewers and waterways. Do not allow material to contaminate ground water system  |  |
| Methods for cleaning up:               |  |  |  |
| Recovery:                              | Pick up free liquid for recycling absorbed on an inert material.                 | Pick up free liquid for recycling or disposal. Residual liquid can be absorbed on an inert material.   |  |
| Cleaning/Decontamination:              | Wash non-recoverable remainder with water.                                       |  |  |
| Disposal:                              | For disposal of residues refer to sections 8 & 13.                               |  |  |

#### **SECTION 7. HANDLING AND STORAGE**

| Handling              |  |
|-----------------------|--|
| Technical measures:   | Labeling: Keep out of the reach of children.                 |
| Measures:             | For industrial use, only as directed.                        |
| Safe handling advice: | Wash hands after use. Avoid storage near feed or food stuff. |

# Safety Data Sheet
