| FSS Sucrose Cocoate               |  | Page: 3/8  |  |
|-----------------------------------|--|--|--|
| Date: 07/17/2023                  | Version: 2   | Cancels and replaces version: 1                  |  |
| Ingestion:                        | Consult with a physician.  |  |  |
| Protection of first-aiders:       | No special protection required.  |  |  |
| SECTION 5. FIRE-FIGHTING MEASURES |  |  |  |
| Fire and explosion hazards:       | Not considered to be a fire and e  | Not considered to be a fire and explosion hazard |  |
| Extinguishing media:              |  |  |  |
| Suitable:                         | Water, dry chemicals, foam and o   | Water, dry chemicals, foam and carbon dioxide    |  |
| Not suitable:                     | High volume water jet  | High volume water jet                            |  |
| Fire fighting:                    | Move container from fire area if it can be done without risk.<br>Avoid inhalation of material or combustion by-products.<br>Stay upwind and keep out of low area |  |  |
| Protection for fire-fighters:     | Boots, gloves, goggles.  |  |  |
| SECTION 6. ACCIDENTAL             | RELEASE MEASURES   |  |  |
| Personal precautions:             | Avoid contact with eyes.   |  |  |
|                                   | Personal Protective Equipment:<br>-Protective goggles  |  |  |
| Environmental precautions:        | Prevent entry into sewers and waterways. Do not allow material to contaminate ground water system  |  |  |
| Methods for cleaning up:          |  |  |  |
| Recovery:                         | Pick up free liquid for recycling or absorbed on an inert material. Sv a clearly labeled waste container   | weep or vacuum up any powder and place in        |  |
| Cleaning/Decontamination:         | Wash non-recoverable remainde  | r with water.                                    |  |
| Disposal:                         | For disposal of residues refer to s  | sections 8 & 13.                                 |  |

### SECTION 7. HANDLING AND STORAGE

#### Handling

| Technical measures: | Labeling: Keep out of the reach of children. |
|---------------------|--|
| Measures:           | For industrial use, only as directed.        |

135 Joshua Court, Lincolnton, NC 28092 USA

#### Other regulations:

=

Note: The regulatory information given above only indicates the principal regulations specifically applicable to the products described in this sheet. The user's attention is drawn to the possible existence of additional provision which complete these regulations. Please refer to all applicable international, national and local regulations and provisions

### **SECTION 16. OTHER INFORMATION**

| Prohibited uses:        | For specific uses, food industry, ask the manufacturer for more information. |
|-------------------------|--|
| Last Revision Date:     | 07/17/2023   |
| Preparation Date:       | 04/04/2022   |
| MSDS summary of changes | Updated logo, revision to date, updated section 3 & 9                        |

The information given is based on our knowledge of this product, at the time of publication in good faith. The attention of the user is drawn to the possible risks incurred by using the product for any other purpose other than which it was intended. This is not in any way excuse the user from knowing and applying all the regulations governing their activity. It is sole responsibility of the user to take all precautions required in handling the product. The purpose of mandatory regulation mentioned is to help the user to fulfill his obligations regarding the use of products. This information is not exhaustive, this is not exonerate the user from ensuring that legal obligations other than those mentioned, relating to the use and storage.
